Ehh!

Lucy's a goth chick

Spit in the face of a jock at the mosh pit

Then the kid lost it

Saw her at the mall at the local Hot Topic

Her boyfriend was picking out a new chain wallet

Lucy's all talk

She really ain't got no heart for a fight

She'd rather see a dog show

Beat her face down till she looked like a Picasso

Even ripped the ring out her boyfriend's nostril

Brother's outside, smoking on a NewPort

Heard about his sister, running through the food court

Ran right over the dude from the shoe store

Rumored that he jumped down two floors, ooh, Lord!

Came right up behind him

The kid didn't see him

I never seen that look on another human being

Bats in the belfry (Whooha!)

Rotten on the vine (Hahahaha!)

Can't keep my eyes closed (Whooha!)

Sunny all the time (Haha!)

Put your hands where I can see 'em, boy

Keep 'em up high

This place (this place)

Has gone

Crazy

Mona from Sedona, Arizona

Drove to California in a beat up Toyota

[Redone depock chobra?]

And singing 'Champagne Supernova'

Life, it ain't all roses, though

You go where you're supposed to go

Woke up in a mobile home

Her kidney sold in Tokyo

Jumping out the double-wide

Running through the trailer park

Tearing off the duck tape
Wearing just a pair of socks
Terry-cloth undies that her parents bought
In hysterics when the sheriff stopped
Crying, with her hair in knots
Smelling like Smirnoff
I think the drugs are wearing off

Bats in the belfry (Whooha!)
Rotten on the vine (Hahahaha!)
Can't keep my eyes closed (Whooha!)
Sunny all the time (Haha!)
Put your hands where I can see 'em, boy
Keep 'em up high
This place (this place)
Has gone
Crazy

(It don't matter,)
(Climb that latter)

Whooha!
Daddy's little president
Never found the evidence
Heaven-sent, lemon-scented medicine they fed us with
Said the speech, read it off the teleprompter
Fly away in an army helicopter

Heavy metal concert, in the yellow Mazda
Jello shots and marijuana, going off to war now
For a bunch of mobsters, looking for Osama...
(Bin La da da da da da da da)

Bats in the belfry (Whooha!)
Rotten on the vine (Hahahaha!)
Can't keep my eyes closed (Whooha!)
Sunny all the time (Haha!)
Put your hands where I can see 'em, boy
Keep 'em up high
This place (this place)
Has gone
Crazy
