I watched the night bird fly so low  
The burning men their heads aglow  
Feast or famine reap or sow  
Your interpretation says it all

I say abandon  
I say abandon

You've got no blood in your veins  
Everything you've done you've feigned  
I cut my teeth on a bed of wire  
I sold my soul for my heart's desire

I say abandon  
I say abandon  
I say abandon  
I say abandon

I get so scared of my own damn vision  
I step back revise my position, yeah  
I know it's all my own decision  
I said I know it's all my own decision

I say abandon  
I say abandon  
I say abandon  
I say abandon

Abandon  
Abandon  
Abandon  
Abandon

Abandon  
Abandon  
Abandon  
Abandon
