Gotta go back, gotta go back
Gotta go back to go forward
Gotta go back, gotta go back
Gotta go back to go forward

It's kinda funny when you look around
Inspiration isn't something easily found

Rich are gangsters
Charging for the begging bowl
The poor are happy
Happy only when they've sold their souls

Gotta go back, gotta go back
Gotta go back to go forward
Gotta go back, gotta go back
Gotta go back to go forward

High, low
Try to get a foothold on the ladder
Sacrifice, belief and pride
'Cause high is low, yeah

Have and have not
You haven't earned it, brother
Have and have not,
You haven't earned it. brother

When one is not
One must take something has to give
When one is not
One must take something has to give

It's kinda funny
When you look around
Inspirations
That's not something easily found

Rich are gangsters
Charging for the begging bowl
The poor are happy happy happy
Only when they've sold their souls

Have and have not
You haven't earned it brother
Have and have not
You haven't earned it brother
Hey, oh oh

Gotta go back, gotta go back
Gotta go back to go forward
Gotta go back, gotta go back
Gotta go back to go forward

Gotta go back, gotta go back
Gotta go forward
Gotta go, go, go
Go forward, go forward
