Heard a secret and saw you smilin'
So convincing, you're so beguiling
Leave me breathless
And I can't think straight at all

Cold as starlight
You sting like sunburn
Searching blindfold you, melt my fingers
Summer bleeds for you, testifies

Ultrafervor
Head to toe
Sensitizes
Burns and glows
Helter swelter

Sweet and slow
Avalanche
Avalanche
Avalanche

Heard a secret and saw you smilin'
So convincing, you're so beguiling
Leave me breathless
And I can't think straight at all

Damburst drowning
Your favorite feelings
Avalanches that chill all healing
Spurning indigo celebrate

Ultrafervor
Head to toe
Sensitizes
Burns and glows
Helter swelter

Sweet and slow
Avalanche
Avalanche
Avalanche

Helter swelter
Sweet and slow
Helter swelter
Sweet and slow
Helter swelter
Sweet and slow
