Sunset tears
This crummy town will squeeze you
Cling to fears
The ones you've always known

Good as gold
And twice as hard to part with
Truth be told
I just can't explain

Stand and wait
Nod at fate, it's too late
Now you've been
Smothered whole

Sweet shiver burn
Sweet shiver burn

Endless roads
The final flame will daze you
Skyline prayers
The one's you've always dreamed

Don't hesitate
Smile at fate
It's so right that you've been
Smothered whole

Sweet shiver burn
Sweet shiver burn
Sweet shiver burn

Sweet shiver burn
Sweet shiver burn
Sweet shiver burn
Sweet shiver burn
Sweet shiver burn
