Keep me dizzy spinning circles around my head

Believe me that it's worth the rush

Till we collide with heavy hearts and open minds

I'm all by myself

Don't leave me hanging

Shaking like I'm caught on fire

We all get stuck in funny ways sometimes

You and every friend of mine

We'll find a way to run away tonight

You could be my compass

Teach me how to read these broken lines

Hold me like a lover

We'll find a way to run away tonight

Tell me when it's over

Promise that you'll always keep me in mind

Burning like a soldier

I'll find my way to you and save your day

You could be my compass

Teach me how to read these broken lines

Hold me like a lover

(And never ever go)

We'll find a way to run away tonight

Tell me when it's over

(Tell me when it's over)

Promise that you'll always keep me in mind

Burning like a soldier

(Burning like a soldier)

I'll find my way to you and save your day

Na na na na
