### Verse

So I blah to my girls about that lucky guy  
When really deep inside it's me who's gettin' lucky,  
But who would ever think  
that he would like to drink  
Instead of hook it with me.  
So I got all dolled up for nothing  
Cause all I wantedd to do was impress,  
But instead all it brought was unhappiness,  
I would have even let him touch my chest

### Chorus

I want you to fucking die  
Cause you'd rather get high  
Than have fun with me  
You are a piece of shit  
I swear I'm though with it  
We will just have to wait and see  
Cause I'm losing control  
And I want you to know that you'll get yours  
In Hell Hell Hell Hell Hell Hell  
Cause I'm losing control  
And I want you to know that you'll get yours  
In Hell Hell Hell Hell Hell Hell

### Verse

Why do I fall for all the stoners  
You think I would have learned from the first time  
But I just keep going back for more.  
My friends always tell me  
That he's not the one for me,  
But I go on with my stubborn ways  
And disregard everhthing they say.  
But I can always count on my girls.
