It never fails Henny and gingerale
I got my cup and I'm filling it up I can't get enough
It never fails Henny and gingerale
I got my cup and I'm filling it up I can't get enough

It never fails Henny and gingerale
I got my cup and I'm filling it up I can't get enough
It never fails Henny and gingerale
I got my cup and I'm filling it up I can't get enough

And I'm gonna have me a time
We're OK me we're alright out of mind outta sight
Yeah I'm gonna have me a time
We're OK feeling fine outta sight out of mind

It never fails Henny and gingerale
I got my cup and I'm filling it up I can't get enough
It never fails Henny and gingerale
I got my cup and I'm filling it up I can't get enough

And I'm gonna have me a time
We're OK me we're alright out of mind outta sight
Yeah I'm gonna have me a time
We're OK feeling fine outta sight out of mind

And everybody at the party playing X's and O's
We're gonna pop that when we're ready to go
And everybody at the party playing X's and O's
We're gonna pop that tic tac toe hey hey hey hey
