Oooh baby
I'm hooked right back on you
Maybe it looked like we were through
But baby I'm hooked right back on you
Ain't a thing I can do

When we go out at night, you never talk to me
But when you hold me tight
With all my might
I can't seem to break free

You've got me hooked but I don't care
Cause I don't want to go nowhere
I can't stay for another day
I've got to get away
Hey, hey, hey

But baby, I'm hooked right back on you
Maybe it looked like we were through
But baby I'm hooked right back on you
Ain't a thing I can do

I give you all my love, you never give it back
But when you hold me close
You almost give me a heart attack

You've got me hooked but I don't mind
Cause I don't want to leave your side
I can't stay even one more day
I've got to stay good bye

You know you're such bad girl
(Bad girl)
You've got me in your trap girl
(Bad girl)
Why don't you let me be
(Bad girl, bad girl)
Why do you talk to me
(Bad girl, bad girl)

You've got me hooked but I don't care
Cause I don't want to go nowhere

I can't stay for another day
I've got to get away
Hey, hey, hey

But I'm hooked right back on you
Maybe it looked like we were through
But baby I'm hooked right back on you
Ain't a thing I can do

But I'm hooked right back on you
Maybe it looked like we were through
But baby I'm hooked right back on you
Ain't a thing I can do
