My will is torn to pieces (pick up the pieces, yeah)
Been feelin' this way for so many days
I wrote you a letter, this morning (I wrote you this
morning, yeah)
And tried to explain, my selfish ways

'Cause ever since I walked out I haven't felt alive
I'm half the man that I was with you by my side
I wish that I could dry all the tears that you cried
(I didn't mean it) I didn't mean it, (I didn't mean it)
When I said goodbye

I took our love for granted (Took it for granted yea)
I never realized just how much I cared
Now I'm going crazy without (Without you, I'm crazy,
yea)
I call out your name, oh but you're not there
Ever since I walked out I haven't felt alive
I'm half the man that I was with you by my side
I wish that I could dry all the tears that you cried
(I didn't mean it) I didn't mean it (I didn't mean it) oh
When I said goodbye
Oh if I- I could see you just one more time (one more
time)
I would say (I would say), say exactly what's on my
mind

'Cause ever since I walked out, I haven't felt alive (I'm
not alive)
I'm half the man that I was with you by my side (you by
my side)
I wish that I could dry all the tears that you cried
(I didn't mean it) I didn't mean it girl (I didn't mean it)
Oh When I said goodbye
