Your silver Tele is becoming.
My Epiphone is a smash.
We've got the Doctor for the drumming.
Our v-neck sweaters just kick ass.
But something's missing from our repertoire.
There's got to be more than just our guitars.
Let's bust a groove on your new SK-1.
We'll rock the house with Casio tones.
We've got it on. We've got it all.
C'mon, c'mon let's get technical.
Break out the polyphonic Casio.
And dig the Bossa Nova beats.
The PT-80's got pre-set chords
For multi-layered melodies.
