Corrine

I want no opinion from you
Was it fun or just
A bad thing to do
(Drag my bad name down)

And while you play
I'm waiting for the day
I'll find some way
To make you pay
(Drag my bad name down)

But then you come
And you pull me around
(Drag my bad name down)
Would Jesus pull me around
(Drag my bad name down)
Would Jesus pull me around
(Drag my bad name down)

I need some food, some sleep
Some company to keep
The sun, some shade
A word and a will made

As for drink
My cabinet's open wide
I'll take something
To make me go wild
(Drag my bad name down)

In truth
Good fortune sets me free
Would vengeance make
A killer of me
(Drag my bad name down)

Pull me around
(Drag my bad name down)
Would Jesus pull me around
(Drag my bad name down)
Would Jesus pull me around

(Drag my bad name down)

I need some food, some sleep
Some company to keep
The sun, some shade
And somebody's bed

As for love
My friend's no open book
I need somebody misunderstood
(Drag my bad name down)

Is it a war
When there's fools just like me
Who wants someone
To make me bleed

Lull me around
Drag my bad name down
And people say
Lull me around
Drag my bad name down

And people say
Lull me around
Drag my bad name down
And people say
Lull me around
Drag my bad name down

Oh, Jesus
(Drag my bad name down)
Would Jesus pull me around
(Drag my bad name down)
Would Jesus just pull me around
(Drag my bad name down)

I'll take some books,
Films, changing my will
A lies test, everybody

Jesus, pull me around
(Drag my bad name down)
Would Jesus pull me around
(Drag my bad name down)
Would Jesus pull me around
(Drag my bad name down)
