you tell me i'm crazy, would'nt come up to my age  
behave like an adult, what do you mean with it?  
work their programs, earn money, found a family,  
being proud for country and state, be beloved with all  
i'm full of hate i'm a rebelchild  
you tell me i could'nt change anything  
must adjust me - but to whom? to all that fascist and  
capitalist pigs? forget it - forget it  
i'm full of hate i won't be quiet  
i'm a rebelchild i'm crazy and wild  
deep inside me i feel anarchism behave like a child,  
don't resign the norms  
i'm full of hate i'm a rebelchild  
we're never gettin' old, stay crazy and wild
