Verse 1
"On the outside you're older than a kid,
But on the inside you're still a little boy.
You're mum and daddy don't know what's been going
on,
They wrapped you up in cotton wool for far too long.

Chorus
Now you're telling me…
Hey, baby don't blame me,
You'll be right round at your house on my BMX
You say you want to see me.
Hey, baby don't blame me
Get out now because you know that you're never gonna
change me

Verse 2
You're spinning round and round,
You don't know what you're doing to yourself,
You have bring it, break it down,
You have to stand up else you'll fall down hit the
ground.

Chorus
But now you're telling me…
Hey, baby don't blame me,
You know my life is savage and I'll only do you
damage,
Don't you hate me?
Hey, baby don't blame me.
I always pushed my luck when you didn't want to fuck,
You're way too good for me

Whoever you chose to blame,
Your problems still be the same,
You're playing such a dangerous game,

Yeah you're playing such a dangerous game.

Chorus
Now you're telling me,
Hey, baby don't blame me,

You know my life is savage and I'll only do you
damage,
Don't you hate me?

Chorus
But now you're telling me...
Hey, baby don't blame me.
You'll be right round my house you say u wanna see
me.
Get out now because you know that you're never gonna
change me,
You're way too good for me
