Lonely mess  
Staring out a window pane  
Sitting on an unmade bed  
Thinking with an un-madeup mind  
About the things I can't forget  
You've gone but you never left

And now I'm only a frame  
A frame without a photograph  
If only once someone  
Someone would fill me up

How can I bear  
This nightmare that I cannot tear  
From the everyday I wear  
Over and over  
Like a B-movie  
The kind you wouldn't want to see

And now I'm only a frame  
A frame without a photograph  
If only once someone  
Someone would fill me up  
I am only a frame  
A frame without a photograph

Fill me up  
Fill me up  
Fill me up  
Fill me up

I've got a need to be met  
By someone that I've not met yet  
I've got shadows, I've got silhouettes  
But haven't the frame nor the framework

I am only a frame  
A frame without a photograph  
If only once someone  
Someone would fill me up
