Day two made you  
I could hear the sign  
Fall down way down  
I would never lie

I know it's hard to be you  
Dust and the high that you knew  
Giving you hope from the sign  
I know everything's fine

Give me something  
I don't ever own  
Look down way down  
I can hear the moan

I know it's hard to be you  
Dust and the high that you knew

Leaving you hope from the sun  
I know everything's fine

Got no life

Wait for voice to realize my mind  
Break out make out  
Everything is mine

I know it's hard to be me  
Drug from the line in the sea  
Doesn't it offer the  
Doesn't it offer the  
I know everything's changed
