I was wallowing  
In a pit of snakes  
They come crawling  
Up around my legs  
Now I despise  
Them but I know  
If they hypnotize me  
Down down I go

Then I say Lord  
Have mercy on me  
I say Lord  
Have mercy

Love to fly  
In a purple haze  
Believe lies  
Just to stay faced  
But when I crash  
On solid ground  
Then I go spat!!  
And my up comes down

Then I say Lord  
Have mercy on me  
I say Lord  
Have mercy  
Complete  
Forgiving  
Chastening  
Embracing

Love to go far  
On my guitar  
Love when she sings  
Love when she stings  
But if I bow  
Down to her notes  
When death comes 'round  
That's all she wrote

Then I say Lord  
Have mercy on me  
I say Lord  
Have mercy  
Complete  
Forgiving  
Chastening  
Embracing  
Unearned  
Undeserved  
A total work
