I'm hardcore cause he makes me hardcore I'm not
rebellious I'm just zealous for my Lord
He fills me up with love, this miracle don't fear it
I'm here today to tell you how the Holy Spirit moves in
me
How he counsels me, how he comforts me, one word
accountability
This spiritual helper in my being ain't no
Joke friend He's counseled my soul and my conscience
He's mended
Every time I get on my knees and on my face
I pray that God would move in me and help me run this
race I'm running for you God,
Not me but you God, the Father, the Son, and Holy
Ghost, the one God the true God.
And the Spirit wells up in me Father God touch me as it
moves in me.
Thank you for this gift, help me to use these spiritual
gifts you continue to bless me with.

(Chorus)

What they gonna do when you become me?
What they gonna do when me you set free?
All I feel lately is me becoming
I can't feel nothing my face is numbing

(Repeat 2nd Chorus)

(Bridge)

I'm hardcore cause he makes me hardcore
What they gonna do when you become me?
Cause seeing you in me is not their cup of tea
But I don't care if they stare with that phony glare
Cause in the end I will win and you'll see me there
Open up your eyes and see the real me, you gotta
recognize I'm not the old me
The old man's gone, the Holy Spirit moves in me
What they gonna do when you become me?

(Chorus)
