Hey Na Na
Hey Na Na

There is nowhere else I'd rather be
Than in your heart
There is nowhere else I wanna be
But in your eyes
In your arms

The moon blew through the valley
Carried away the clouds
The stars seem so much brighter this night
Orion's belt is shinin'
The big dipper's upside down
Over us it's pourin' out it's light

You slip your arms around me
Draw me to your side
The full moon's shinin' so clear
Is that music in the distance?
For a moment of time
There is nowhere else but here

There is nowhere else I'd rather be
Than in your heart
There is nowhere else I wanna be
But in your eyes
In your arms

I could walk across the desert
Build my own oasis
Where the palm trees shade me from the sun
I could swim across the ocean
Find a desert island
But your arms would always draw me back home

There is nowhere else I'd rather be
Than in your heart
There is nowhere else I wanna be
But in your eyes
In your arms

Hey Na Na Hey Na Na
There is nowhere else I'd rather be
There is nowhere else I wanna be
