I'm gonna move
Way out on the outskirts of town
Everybody dogged me
Yeah they dogged me right on down
They hit me once
They hit me twice
They hit me three times people
But that's alright, alright
"cause I'm gonna move
Yeah, I'm gonna move
Way outside of town
Yeah, they stick it to me
Right to my face
They put me right down to the ground
Put me right in my place
They hit me once
They hit me twice
They hit me three times people
But that's alright, alright
"cause I'm gonna move
Yeah, I'm gonna move
Way out on the outskirts, outskirts
Way outside of my town
I'm tellin' you people
I'll tell you right now
You better watch your step
Get yourself
Right out of this big bad town, yeah
They'll hit you once
They'll hit you twice
They'll hit you three times people
Three times people
But that's alright, alright
"cause I'm gonna move
Yeah I'm gonna move, well
Yeah I'm gonna move
I'm gonna, gonna move, well
Way out on the outskirts, outskirts
Way out on the outskirts
Outside of my town
