I'll beat the rap for a self-made trap  
Get all tied up in endless crap  
Quicksand, i planned  
Pitfalls, i dig 'em all

Self-made rope  
And self-made binds  
I'm all wrapped up  
In a sour grape vine  
A human web,  
I've spun every thread  
Tight nets, i weave all i can get  
A rats maze wouldn't faze  
Brick walls, i'm enthralled

Self-made traps, self-made snares  
Handicaps and wheelchairs  
Drown myself in rain,  
Freeze myself in snow  
Help comes fast, pride goes slow  
Could be free if i choose  
Born to win, dying to lose

Self-made twine,  
Hand-made chains  
I'm all bound up and self-contained  
Jail cells, i build well  
Lions dens, i got a yen  
Land mines, i design  
Avalanche, i wouldn't blanch

Self-made traps, self-made snares  
Handicaps and wheelchairs  
Drown myself in rain,  
Freeze myself in snow  
Help comes fast, pride goes slow  
Could be free if i choose  
Born to win, dying to lose

The warden comes to set me free  
I grip the bars, swallow up the key

It's like serving time  
When there's none left  
On a fast train nowhere  
But we're not there yet  
The scenery moves  
The train stands still

Dungeon dark,  
I'll quench every spark  
A hangman's noose,  
Never leave 'em loose

Self-made traps, self-made locks  
Combinations i forgot  
For guards and gates i await  
I'm a natural born inmate  
Could be free if i choose  
Born to win, dyin' to lose  
Lust came fast, love left slow  
The die is cast, the word is no
