Will you remember your love when you hide it away?  
Will you remain in a state of the same old grace  
Until you're strong enough to face your face?  
But you're mine pretty baby 'til my mind changes  
And something breaks me down to see  
You're the last blast baby in a long line  
Of ones who tried to change me and  
U r  
U r  
U r  
Trippin'  
Trippin' when you think you'll rise above yourself  
Now what am i gonna do  
When all around is the proof  
Of what  
You choose?  
(and it's more of the same old you)  
This could be more than a big mistake baby  
Now i'm beggin' you to take it off of me  
But you're mine pretty baby Otil my mind bends  
And breaks me down to see the end  
Of the last dance with another lonely friend  
The one who tried to change me  
Yes you're mine pretty honey in the meanwhile  
'til something goes on deep inside  
Might be the last one baby in a long while  
The one who tried to love me  
And  
U r  
U r  
U r  
Trippin'  
Trippin' when you think you rise above yourself  
All by yourself  
Trippin when you think you'll fly above yourself  
Just like tinkerbelle  
Trippin when you think you'll rise  
Trippin when you think you'll rise  
You're trippin  
You're trippin
