I'm never gonna have the time
All the time I really need
To do what I want to

Don't even have the time
Enough time to do everything
That I really need to

I'm never gonna have the time
To dig anything that God has in plan
That I ever wanted

Don't even have the time
Enough time to dig anything
I've already got it

I'm never gonna have the time
To turn my dreams to reality
Look at all the times, real things lying before me

And all the happy times
Look like bad dreams
Next to the signs and visions you gave me

I'm never gonna have the time
To turn my dreams to reality
Look at all the things, real things that never happen

And all the happy times
Look like bad dreams, real bad scenes
Next to the signs and complete visions you gave me

I don't know anything if I don't know you
I can't feel anything unless you touch me too
Wild Blue

I don't want anything if I can't have you
I can't love anything unless you love me too
Wild Blue

I don't know anything
I can't feel anything
Without you

Wild Blue
