I'm staring headlong  
Into the jaws of death  
Big teeth, big mouth,  
Bad bad breath  
And i promised myself  
I'd never do this again  
And i don't understand it

Help me, i'm going down again  
Help me, i can't tell  
None of my friends  
1 2 3, struck out again  
Pull a sheet over me,  
But don't cover my head

I wanted bliss, ended up like this  
Betrayed myself with  
My own judas kiss  
Momma never told me  
There would be days like this, no!

You get what you pay for, i guess  
Can i pay for this?  
I been eaten up and swallowed  
By what i wanted  
And i wanted more, more than this  
Tell me, what's worth more  
What you'll lie for or  
What you'll die for  
I follow my heart  
And it lies and it lies  
And i don't understand it

Help me, i'm going down again  
Help me, when will this ever end?  
1 2 3, if i strike out again, do i lose?  
Am i dead? dead  
Am i dead? dead  
Am i dead? dead  
Am i dead? dead
