GO WHERE YOU WANNA GO
The Mamas & The Papas

You gotta go where you wanna go
Do what you wanna do
With whoever you wanna do it with

You gotta go where you wanna go
Do what you wanna do
With whoever you wanna do it with

You don't understand
That a girl like me can love just one man
Three thousand miles, that's how far you'll go
And you said to me "Please don't follow"

'cause you gotta go where you wanna go
Do what you wanna do
With whoever you wanna do it with

You gotta go where you wanna go
Do what you wanna do
With whoever you wanna do it with

You don't understand
That a girl like me can love just one man
You've been gone a week, and I tried so hard
Not to be the cryin' kind
Not to be the girl you left behind

You gotta go where you wanna go
Do what you wanna do
With whoever you wanna do it with

You gotta go where you wanna go
Do what you wanna do
With whoever you wanna do it with

You gotta go where you wanna go
Do what you wanna do
With whoever you wanna do it with
