[Erykah]

Umm say baby won't you play it over for me

So I can get used to it

Yeah that's the part

[D'Angelo]

That's it

[Erykah]

Yeah that right there

I love that

[D'Angelo]

Ah this is what's coming up right here

[Erykah](D'Angelo)

Ooh yeah yes

(Ah yeah)

[D'Angelo]

Erykah, every day there's something new

Honey, to keep me lovin' you

And with every passing minute

Ah baby, so much joy wrapped up in it

1 - [Both]

Oh, heaven must have sent you from above

Oh, heaven must have sent your precious love

[Erykah]

And I, I've got a song to sing

Telling' the world about the joy you bring, ooh

And you gave me, you gave me a reason for livin'

And ooh, you taught me, you taught me the meaning of giving

Repeat 1

[D'Angelo]

Oh, to find a love like ours is rare these days

Cause you've shown me happiness means in so many ways

[Erykah]

I look in the mirror, and I'm glad to see

Laughter in the eyes where tears used to be

[D'Angelo]

What you've given me I could never return, yeah

'Cause there's so much, girl, I have yet to learn

[Erykah]

And I just wanna I just wanna show my appreciation

Cause when I found you, I found a new inspiration

Repeat 1 till end
