Take back  
All those things you said  
When you were tired of living  
Hold on  
To the dreams we shared  
They were so easy to believe in  
Turn back  
From the way you're goin'  
It's a rocky road for sure  
Lift up your heart to heaven  
Dream this dream with me once more

Do it for love  
Do it for love

Tell me how to love you  
Let me know what I've been missing  
Don't walk out of this life again  
You've got me, You've got this love  
This world in your hand

Do it for love  
Do it for love

And I can see a time  
When we will dare to laugh  
At all these ghosts that haunt us  
Hey, that day we'll say we did it  
Did it for love
