"Hard To Be You"

Day two made you
I could hear the sign
Fall down way down
I would never lie

I know it's hard to be you
Dust and the high that you knew
Giving you hope from the sign
I know everything's fine

Give me something
I don't ever own
Look down way down
I can hear the moan

I know it's hard to be you
Dust and the high that you knew

Leaving you hope from the sun
I know everything's fine

Got no life

Wait for voice to realize my mind
Break out make out
Everything is mine

I know it's hard to be me
Drug from the line in the sea
Doesn't it offer the
Doesn't it offer the
I know everything's changed
