I walked out  
I didn't want it anymore  
I already had one foot out the door  
I was into moving  
They were on the slower road  
It came down  
About as plain as day to see  
The road signs i could recognize  
Pointed right to me  
I was into something  
Daddy never really had  
Made so many people  
Feel so badS  
It was a  
Mean green season  
When you're on top  
You've got to show no mercy  
Make sure you  
Believe  
You're  
The  
Reason  
And everybody wants  
A piece of the one  
Who gets it done  
I held out  
About as far as i could run  
Tried to keep my pole position  
But i was into playing  
A little long in the sun  
I fell back  
Till everything i had was gone  
I really thought i had it going on  
But now i'm on the outside  
With no one left to call  
At all  
Who'd swear how nobody  
Ever wanna  
See  
Me  
Fall
