Goin' my own way  
Gives me a thrill  
Until i take a spill  
Oh, what a kill  
Goin' my own way  
I have to flag a ride  
Out to the end of the road  
Where i've already died

But if you pick me up  
You'll need to dust me off  
'cuz i'm low down, dirty  
Good for nothing' i thought  
Yeah, if you pick me up  
You'll need to carry me  
'cuz i'm damaged, naked  
Blind, i cannot see  
No i cannot see

Goin' my own way  
It's such a colorful ride  
Where my heart  
Spells out my crimes  
In living black and white  
Goin' my own way  
I can't get my fill  
I need to know your will  
I need to know your will

'cuz it's a crowded road  
It's a lost highway  
Where you still carry your load  
At the end, at the end,  
At the end of the day  
But if i take your trail  
I can lose that weight  
Shed it off, shake it out  
Move it on, move it out  
Get it off, get it out

If i take your trail  
I'm bound to fail

In the eyes of this world  
Where what a man does  
Is what a man's worth  
But it's worth it all  
If i can look you in the face  
At the end of this road  
At the end of this place  
I may bust my butt  
They may say i'm nuts  
But i'm nuts for you  
I'm nuts for you  
If it's what you'd have me to do  
I'll be a nut for you
