So what if you're not the skinny one, so what if you're
not tall?
You know that to me, it doesn't matter at all
Remember back in middle school when you hung out
with Mingus?
That was before our first date, but now it'll always be us
Tapanga Tapanga do you like my curly hair?
Tapanga Tapanga do you even care?
Tapanga Tapanga I know you really do
Tapanga Tapanga I heart you
Remember when you moved to Pittsburgh when your
parents got divorced?
I remember those times as definitely the worst
Then you showed up on my doorstep wet from the rain
From that time on it was pleasure not pain
Tapanga Tapanga do you like my curly hair?
Tapanga Tapanga do you even care?
Tapanga Tapanga I know you really do
Tapanga Tapanga I heart you
