(yeah!)

I see you standing there in the rain, and you're crying

You're crying all alone

You're crying all alone

I look left, I look right and I see that you're trying

You're trying all alone

You're trying on your own

I don't wanna be there!

I don't wanna be there!

And I never wanna

Wake up

Wake up

Wake up!

I see you all depressed, all alone, and you're dying

You're dying all alone

You're dying all alone

I want you to know that, that I'm here, I'm not lying

I'm here to change the tone

I'm here to change the tone

I don't wanna be there!

I don't wanna be there!

And I never wanna

Wake up

Wake up

Wake up!

I don't wanna be there!

I don't wanna be there!

I do'nt wanna be... there...

And I never wanna

Wake up

Wake up

Wake up!

I don't wanna be there!

(guitar)

I don't wanna be there!

And I never wanna

Wake up

Wake up
Wake up!

I do'nt wanna be... there...
I don't wanna be there!
And I never wanna
Wake up
Wake up
Wake up
Wake up
WAKE UP!
