A loose cannon can you tell?
You're gonna get a lesson
He'll learn you well
Back off and stay away from him

Outside you're going down
And how ya gonna feel
When you hitting the ground?
Your bad seed is at it again

The boy was so defiant, angry young lion
With too much hatred from the past
And all his aggression
It isn't helping him become a man

Na, na, na, na, na, na, na nothing
Is ever gonna change him
Yeah, and it might take a little bit
To get used to but he'll stay broken

Outback behind the shed
That's where his daddy thought him
To hate the best
The education of the heavy hand

The blows were handed down
And it never did much good for him
To cry out loud
The fragile child never stood a chance

The boy was so defiant, angry young lion
With too much hatred from the past
And all his aggression
It isn't helping him become a man

Na, na, na, na, na, na, na nothing
Is ever gonna change him
Yeah, and it might take a little bit
To get used to but he'll stay broken

Hey, just remember this
Anger's not a curse

It's the greatest gift

Loose cannon can you tell?
Loose cannon can you tell?
Back off, back off from me

Na, na, na, na, na, na, na nothing
Is ever gonna change him
Yeah, and it might take a little bit
To get used to but he'll stay broken

Na, na, na, na, na, na, na nothing
Is ever gonna change him
Yeah, and it might take a little bit
To get used to but he'll stay broken
He'll stay broken, broken
