Fuck saying 'sorry' cause 'sorry' is for suckers
Get on your knees and start sucking
You sorry motherfuckers
Fuck saying 'sorry' I don't care if you cry
When you're the one who's sorry cause I dotted your
eye

FUCK SORRY!

Fuck saying 'sorry' and I damn well meant it
If your mail's exploding, then I'm the one who sent it
Fuck saying 'sorry' I don't care if you're screaming
When you're laying on the ground and
You're fucking bleeding

FUCK SORRY!
