I took a step back as the room was filling up  
And I was packed against some people  
Who were tossing up a strong vibe  
Now the door's locked and the shower's on  
And I realize I don't recognize anyone but I don't mind

Well, the neighbors have complained damn near every  
night  
The neighbors have complained damn near every night

You shoulda shown up, shoulda shown up by now  
You shoulda shown up by now  
With a knock at the door  
The knock at the door as it goes  
Whoa, whoa

Well, now everybody's losing control

Intoxicated circulation  
Just try to sit back, get my palette wet  
Getting mentally prepared for the consequences  
[Incomprehensible] you know why

Because that knock at the door calls the crowd to quiet  
The neighbors have complained damn near every night

You shoulda shown up, shoulda shown up by now  
You shoulda shown up by now  
Give it a rest, give it a rest, give it a rest

You shoulda shown up, shoulda shown up by now  
You shoulda shown up by now  
With a knock at the door  
The knock at the door as it goes  
Whoa, whoa, whoa, whoa

There's no one left lying on the second story  
floorboards  
And I'm sure they heard next door but the bottles are  
hollow now  
And there's room at the bottom and I would take it back  
If I could, but I won't

Sit back, get my palette wet  
Getting mentally prepared for the consequences  
[Incomprehensible] you know why

Because the neighbors have complained damn near  
every night  
The neighbors have complained damn near every night

You shoulda shown up, shoulda shown up by now  
You shoulda shown up by now  
Give it a rest, give it a rest, give it a rest

You shoulda shown up, shoulda shown up by now  
You shoulda shown up by now  
With a knock at the door  
The knock at the door as it goes  
Whoa, whoa, whoa, whoa
