Please stand by  
We've come so far  
Four years we survived  
The ride that turned us inside out

Repeat after me  
Just scream and shout  
It was the best of times  
From broken homes and battle scars  
To where we are

Graduate  
Paperchase  
We'll get out of this place  
Don't turn around  
Hit the highway pour some liquor out for this town

Now that's all for us  
It's last call drink up

Roll it out  
It's over now  
We're the castouts  
With messed up friends  
Who never did fit in

Don't care where it ends  
Doesn't matter now  
Long as we're as one  
We'll take the next bus  
Destination: setting sun

Graduate  
Paperchase  
We'll get out of this place  
Don't turn around  
Hit the highway pour some liquor out for this town

Now that's all for us  
It's last call drink up

Graduate

Paperchase  
We'll get out of this place  
Don't turn around  
Hit the highway pour some liquor out for this town

Now that's all for us  
It's last call drink up

This is an open invite  
For all to attend  
Don't ask too many questions now  
Don't tell us how it ends  
Cuz we're the ones who wrote the end

Graduate  
Paperchase  
We'll get out of this place  
Don't turn around  
Hit the highway pour some liquor out for this town

Now that's all for us  
It's last call drink up

Graduate  
Paperchase  
We'll get out of this place  
Don't turn around  
Hit the highway pour some liquor out for this town

Now that's all for us  
It's last call drink up
