Don't be so scared,  
We will not lead  
You on like you've been doing for weeks.  
So you're selfish, and I'm sorry.  
When I'm gone you'll be going nowhere fast  
Nowhere fast, nowhere fast.

Would you believe me if I said I didn't need you,  
'Cause I wouldn't believe you if you said the same to  
me and  
Near death, last breath, and barely hanging on.  
Would you believe me if I said I didn't need you?

Don't be so scared to take a second for reflection,  
To take a leave of absence, see what you're made of.  
So I'm selfish, and you're sorry.  
When I'm gone you'll be going nowhere fast.  
So who's selfish, and who's sorry?

Would you believe me if I said I didn't need you,  
'Cause I wouldn't believe you if you said the same to  
me and  
Near death, last breath, and barely hanging on.  
Would you believe me if I said I didn't need you?

Someone, somewhere said some things that may have  
sparked some sympathy, but  
Don't believe, don't believe a word you've heard about  
me.

Don't be so scared.  
It's harder for me.  
Don't be so scared.  
Don't be so scared,  
It's harder for me.  
Don't be so scared,  
It's harder for me.  
Don't be so scared,  
It's harder for me.  
Don't be so scared,  
It's harder for me.  
Don't be so scared.

Would you believe me if I said I didn't need you,

'Cause I wouldn't believe you if you said the same to  
me and  
Near death, last breath, and barely hanging on.  
Would you believe me if I said I didn't need you?

Someone, somewhere said some things that may have  
sparked some sympathy, but  
Don't believe, don't believe a word you've heard.

Would you believe me if I said I didn't need you?  
'Cause I wouldn't believe you  
Wouldn't believe you now
