Look like a lush, talk like a tease  
The way you like it  
In front of your house, alone on the street  
You ask me to come inside

Asleep through all our classes  
You hang me out to dry

If this is a test I'm losing my shit  
Would it kill you to care as much as I did?  
If this is a test I'm wasting my breath  
You're a stranger I know well and not at all

Heart on a hook, thrown out to the sea  
Your basement busy  
Sitting in the dark, I turn the radio off  
For a phone call you'll likely miss

Wake me when it's over  
The last sound of goodbye

If this is a test I'm losing my shit  
Would it kill you to care as much as I did?  
If this is a test I'm wasting my breath  
You're a stranger I know well and not at all

Let's imagine the end before we even begin you said  
Let's imagine the end before we even begin you said  
You said, you said

If this is a test I'm losing my shit  
Would it kill you to care as much as I did?  
If this is a test I'm wasting my breath  
You're a stranger I know well

If this is a test I'm losing my shit  
Would it kill you to care as much as I did?  
If this is a test I'm wasting my breath  
You're a stranger I know well and not at all, not at all  
You're a stranger I know well and not at all, and not at  
all  
You're a stranger I know well
