This is the worst day of my life
Do you want to come over

Its unlucky, to be superstitious
Its unlucky, to hope for the best
Its not funny, but you leave me in stitches
Its not funny, but i laugh none the less
I guess, this is my SOS
Rain, rain on my parade
Ive got lemons, but not a drop of lemonade

This is the worst day of my life
Do you want to come over
This is the worst day of my life
Do you want to come over
Please come over
Make it all right

Its not pretty, my current condition
Its not pretty, this state of affairs, ya
So come and give me, a second opinion
Girl, what are you thinking
So come give me, a good kick down the stairs, ya
I guess its back to solitare
Bad luck always comes in threes
Ive got two, so come around and finish me

This is the worst day of my life
Do you want to come over
This is the worst day of my life
Do you want to come over
Please come over
Make it alright

This is the worst day of my life
What did i do to deserve this
This is the worst day of my life
But might have been worth it
You could come make it perfect

This is the worst day of my life

Do you want to come over
Please come over, ya
