all our times have come
here but now they're gone
seasons don't fear the reaper
nor do the wind, the sun or the rain
we can be like they are
come on baby

(don't fear the reaper)
baby take my hand
(don't fear the reaper)
we'll be able to fly
(don't fear the reaper)
baby i'm your woman

la la la la la la la la la

valentine is done
here but now they're gone
romeo and juliet are together in eternity
(romeo and juliet)
40,000 men and women everyday
(like romeo and juliet)
40,000 men and women everyday
(redefine happiness)
another 40,000 comin' everyday
(we can be like they are)

come on baby

(don't fear the reaper)
baby take my hand
(don't fear the reaper)
we'll be able to fly
(don't fear the reaper)
baby i'm your woman

Love of two is one
here but now they're gone

he came last night out of sadness
and it was clear that she couldn't go on
then the door was open and the wind appeared

the candles blew and then disappeared
the curtains flew and then he appeared
(saying don't be afraid) Come on baby
(and she had no fear) And she ran to him
(then they started to fly) They looked backward and
said goodbye
(she had become like they are) She had taken his hand
(she had become like they are) Come on baby

come on baby
(don't fear the reaper)
come on baby
(don't fear the reaper)
