If it's love that you want
Baby, I've got it
From the depths of my soul
Baby, I've got it

But I've been watching you
And I don't think that's your game
Girl, there's no need to explain

[CHORUS]
Any way that you want me
Any way that you take me
Any way that you make
Me a part of you
Any way at all

If it's dreams that you want
Baby, I've got 'em
From the depths of my soul
I'll make them come true

But I've been watching you
And I don't think that's your game
Girl, there's no need to explain

[Repeat CHORUS 2x to fade]
