Doo doo doo down  
Doobie doo down down  
The deal is going down  
Doobie doo down down  
The rates are going up  
Uppy up up up  
Breaking up is hard on you

Don't take Ma Bell away from me  
I've gotten used to monopoly  
When they divest, then I'll be blue  
Yes, breaking up is hard on you

Remember when you'd make a call  
And you'd get through no sweat at all  
Now we wait the whole night through  
Cause breaking up is hard on you

They say that breaking up is hard to do  
And so they put the screws to you  
Don't say it's fate, my friend  
Including breaking up  
They're also jacking up the rates again

A. T. & T, don't say goodbye  
Don't wanna use no MCI  
You'll pay bills out the wazoo  
Cause breaking up is hard on you

They say that breaking up is good to do  
But then they send six bills to you  
Don't say it's fate, my friend  
Including breaking up  
They're also jacking up the rates again

I beg of you, don't take my phone  
I want to lease, don't want to own  
Reach out and touch some other fool  
Yes, breaking up is hard on you

The deal is going down  
Doobie doo down down

The rates are going  
Up uppy up up up...

(Hello) yeah, hello John, listen  
(Hello) hello (what) John  
(I can't hear you) well, I  
(I hear myself coming back here)  
Damn phone company  
(Hello) what (hello)

The deal is going down  
Doobie doo down down  
The rates are going up  
Uppy up up up...
