If you dance with Mamie
Take a chance with Mamie
The chances are you'll
Find romance with Mamie

There are no stars in the sky
For the stars are all in
Mamie's eyes

Any lad, for Mamie
Would go mad for Mamie
And give up all he ever had
For Mamie

Fellas who try to resist
Oughta hire a psychiatrist

Oh, the glow that lights the skies up
The lines of traffic that she ties up
When she rolls those
Big brown eyes up
Oh, happy, happy day

Willows weep for Mamie
Lovers leap for Mamie
Van Winkle woke up
From his sleep for Mamie

Line starts to form on the right
If you want to see Mamie tonight

Any lad, for Mamie
Would go mad for Mamie
And give up all he ever had
For Mamie

Fellas who try to resist
Oughta hire a psychiatrist

Oh, the glow that lights the skies up
The lines of traffic that she ties up

When she rolls those
Big brown eyes up
Oh, happy, happy, happy day

Willows weep for Mamie
Lovers leap for Mamie
Van Winkle woke up
From his sleep for Mamie

Line starts to form on the right
If you want to see Mamie tonight
If you want to see Mamie tonight
If you want to see Mamie tonight
