It only hurts
For a little while
That's what they tell me
That's what they say
It only hurts
For a little while
Then all your heartache
Will pass away

It's so easy to be smart
With somebody else's heart
But I don't know how
To start forgetting you
What can I do

It only hurts
For a little while
That's what they tell me
Just wait and see
But I will hurt til
You come back to me

It's so easy to be smart
With somebody else's heart
But I don't know how
To start forgetting you
What can I do

It only hurts
For a little while
That's what they tell me
Just wait and see
But I will hurt til
You come back to me
