The New Year's Eve we did the town  
The day we tore the goalpost down  
We will have these moments to remember

The quiet walks, the noisy fun  
The ballroom prize we almost won  
We will have these moments to remember

Tho summer turns to winter  
And the present disappears

The laughter we were glad to share  
Will echo through the years

When other nights and other days  
May find us gone our separate ways  
We will have these moments to remember

January to December, we'll have moments to remember  
We will have these moments to remember
