"Stay"

Stay, stay
Stay in my arms
Don't ever go
No, don't ever go

For I must have you
And nobody else
Darling, stay
Stay, stay

And I beg of you
Please, please
Love me, my love
I need you so
Yes, I need you so

This I promise you
I'll always be true
If you'll stay
Stay, stay

Hold me, hold me
Close to your heart again
Kiss me, kiss me
Why can't we start again

Give me, give me
Just one more chance
To prove my love

You, you
You I adore
You are the one
That I'm living for

Say that we'll never apart
In your arms
In your heart
Let me stay
Stay, stay

Say that we'll never apart
In your arms
In your heart
Let me stay, stay
Stay, stay, stay
