A very precious love  
Is what you are to me  
A stairway to a star  
A night in Shangri-La  
Of ecstasy

Lanterns of gold  
Lanterns of blue  
Twinkle in the shadows  
While I dance with you

An echo in the wind  
(An echo in the wind)  
Across the summer lake  
(Across the summer lake)

Is saying you should know  
That lanterns lose their glow  
And hearts can break  
(And hearts can break)

So hold me close, my darling  
Then kiss me tenderly  
And give your precious love  
Your very precious love to me

So hold me close, my darling  
Then kiss me tenderly  
And give your precious love  
Your very precious love to me  
(My very precious love)
