The motto of this country is to strive for failure
The system suffocates you, so you become the failure
Don't let em fucking fool you by their fucking lies
The system suffocates you, so you become the LIE!
You wont see us fail
You wont see us fail
You wont see us fail
WE WANT CHAOS!
You wont see us fail
You wont see us fail
You wont see us fail
WE WANT CHAOS!
Shutting down the borders is not of great help
Leave my people alone, you twat piece of shit
They come to America, to work fucking hard
To do jobs your American ass would never do!
You wont see us fail
You wont see us fail
You wont see us fail
WE WANT CHAOS!
You wont see us fail
You wont see us fail
You wont see us fail
WE WANT CHAOS!
Shooting at them is not of great help
Leave my people alone, you twat piece of shit
You see this Shithole as the land of free?
Where's the freedom? WE ALL SEE MURDER!
You wont see us fail
You wont see us fail
You wont see us fail
WE WANT CHAOS!
You wont see us fail
You wont see us fail
You wont see us fail
WE WANT CHAOS!
CHAOS!
