There's people out there in this world  
That can't support their helpless self  
There's no money to be made  
They don't give a fuck about us

This country is!  
It's our worst enemy!  
This country is!  
It's our worst enemy!  
This country is!  
It's our worst enemy!  
This country is!  
It's our worst enemy!

Spending money on bombs and guns  
When the ghettos are getting worse  
Never to think about the lower class  
Only caring about their greed!

This country is!  
It's our worst enemy!  
This country is!  
It's our worst enemy!  
This country is!  
It's our worst enemy!  
This country is!  
It's our worst enemy!

This country is!  
It's our worst enemy!  
This country is!  
It's our worst enemy!  
This country is!  
It's our worst enemy!  
This country is!  
It's our worst enemy!

There's people out there in this world  
That can't support their helpless self  
There's no money to be made  
They don't give a fuck about us  
This country is!

It's our worst enemy!  
This country is!  
It's our worst enemy!  
This country is!  
It's our worst enemy!  
This country is!  
OUR OWN WORST ENEMY!
