Down with society and the man in blue
Day by day harassment that's what they fucking do!
Messing with our scene, enforcing fucking laws
These cops are fucking bastards, the bullshit gotta
stop.
Harassed Harassed! I'm tired of this shit
Harassed Harassed! They need to fucking quit
Harassed Harassed! We are here to fucking stay
Harassed Harassed! We wont fade away!
Drinking fucking beer, doing as we please
Being unemployed, begging on the streets
For a little money, for a little luck
We are punx, we are not ashamed of that!
Harassed Harassed! I'm tired of this shit
Harassed Harassed! They need to fucking quit
Harassed Harassed! We are here to fucking stay
Harassed Harassed! We wont fade away!
Down with society and the man in blue
Day by day harassment that's what they fucking do!
Messing with our scene, enforcing fucking laws
These cops are fucking bastards, the bullshit gotta
stop!
Harassed Harassed! I'm tired of this shit
Harassed Harassed! They need to fucking quit
Harassed Harassed! We are here to fucking stay
Harassed Harassed! We wont fade away!
